Castilleja School 2015-2016 Student and Parent Handbook Agreement

At Castilleja School we recognize the importance of a positive partnership between families and the school on behalf of our students. That partnership means active support by parents/guardians of school policies. The Student and Parent Handbook describes the policies and responsibilities which parents and students share with Castilleja; therefore, a thorough understanding of the contents of the handbook is essential to our partnership.

Please take time to read and discuss the information contained in the handbook. If there is anything that you, as a student or a parent/guardian, find confusing or ambiguous, please contact either Ms. Cameron or Mr. Pickett so that your questions can be answered.

When you have read the handbook, please sign below and either mail this agreement to Castilleja (attention "STUDENT SERVICES") or return to the Reception Desk on or before Monday, August 17.

Our signatures acknowledge our understanding of the importance Castilleja places on the cooperative partnership between family and school. We understand and accept the policies and guidelines described in the Student and Parent Handbook, including all policies related to Honor Code, Technology Acceptable Use Policy, and Guidelines for Behavior.
